

Belp, 3 July 2014

Dear friends,

Many snow sports instructors are involved in golf in some way during the summer half-year – not least because many winter sports resorts also have a golf course. The ISIA has therefore assumed the patronage of the newly launched "ISIA Golf World Championship". Heading up the organisation of this two-day golf tournament is Heinz Rubi, a long-serving and very active member of Swiss Snowsports and therefore also of the ISIA. Heinz is the Director of the Snow Sports School in Mürren.

An event of this kind in the summer half-year has the potential to develop into a regular get-together for ISIA members. This golf tournament should be all about the love of sports, competition, social gatherings, getting to know other members and travelling to a ski destination that may as yet be unknown. This also means that tournaments will mainly be held in regions that are also attractive destinations for snow sports enthusiasts in winter. The first official golf world championship will take place in Interlaken, a stone's throw from the world-famous ski resorts of Grindelwald, Wengen and Mürren.

We are therefore delighted to invite you to let your members know about this golf tournament with the help of the attached documents. If you have any questions, please do not hesitate to contact us or the organisation committee itself.

All the information you require, especially the contact details for the organisation committee, can be found in the attachment or on the website of the ISIA Golf World Championship (www.isia-golf.com).

Many thanks for your assistance and we look forward to welcoming you to Interlaken for a round of golf.

Riet Campell
President ISIA

Heinz Rubi
OC President ISIA Golf World Championship
